Affirmation of faith

Helen Padgett – November 16, 1914

I feel that God is filling my soul with His love. I believe that He is my Father and that I am His child. He is very near me and the Holy Spirit is coming into my soul more and more. I have commenced to have more faith in His love and grace, and I believe that He is waiting to fill my soul with His love as you have told me. I am so happy that I can realize that He is my own true Father of love. He is with me so very much now, that I know that I have been born again, as your grandmother has told me I would be if I would only believe and let His Holy Spirit enter into my soul. I will soon be in the third sphere ...

When you commence to really learn what the true meaning of God's love is you will see that all our past happiness and love are merely shadows of what the real love and happiness is that we may enjoy when the Holy Spirit takes full possession of our souls and makes us feel that the Father's love and care are only the one thing necessary for our true happiness and love.
