*The necessity of progressing*  
Jesus – December 25, 1914

I do not want you to think that you are now in a condition that leaves you free from sin or the necessity of progressing to the Father with all your heart for an inflowing of His love.

You must get all this love that is possible and that can be gotten only by prayer and faith.

So in your prayers, have faith and the time will come when you will become very close to the Father and enjoy His love to a degree that few have so far obtained.
